Alexandria, VA 22313-1450

Dear Sir:

Rights in this application and patent have been conveyed to and remain with LeCroy Corporation, a small entity as defined by 37 C.F.R. § 1.27 that meets the size standards set forth in 13 C.F.R. § 121.801 through 13 C.F.R. § 121.805 and, therefore, qualifies as a small entity for purposes of paying reduced fees to the United States Patent and Trademark Office. Accordingly, it is respectfully requested that the large entity status on this application be changed to a small entity status.

Based on information provided by LeCroy Corporation, I hereby further state that LeCroy Corporation has not assigned, granted, conveyed, or licensed any rights in the invention and that LeCroy Corporation is under no obligation under contract or law to assign, grant, convey, or license any rights in the invention.

Please charge Deposit Account No. 50-2115 for any additional fees that may be required.

Respectfully submitted,

/Karen Dana Oster/
